Back and forth:

Since the DVHS and DSHS schedules are not identical there may need to be accommodations made for you to attend classes at both sites. Please make an appointment with Mr. Best or your counselor to make those individual arrangements. Some students may be driving to both campuses, using their bicycle, others walking, or using our new Bicycle Co-Op. If you are concerned about transportation to and from DHS please contact Mr. Best as soon as possible. Further, we are looking in to other shuttle methods and will keep you posted as events develop.
